WHAT WE GUARANTEE:

A fun and safe environment where campers experience active learning based on cooperation, equality and social justice.

WHAT WE HOPE TO ACCOMPLISH:

To deepen awareness of social justice with a worker-centered, equal rights perspective. Issues will include, but are not limited to: human rights, International Solidarity, ageism, sexism, racism, and homophobia.

To create a forum for young people to exchange ideas, and work together to increase awareness among other young people on the labour movement, unions and their rights in the workplace as well as build a support network.

To develop collective action skills in organizing, problem solving and decision making.

MORNINGS

Empowering young people through active learning

You will learn about youth and unions, organizing, knowing your rights in the workplace, women and equality, challenging and fighting ageism, sexism, racism and other issues that affect you as a young person and a young worker. You won't just be sitting in a classroom - you will learn by doing!

AFTERNOONS

Fun anyone?

Afternoons are filled with a variety of recreational activities. Campers will have the opportunity to hang out at the beach, go tubing, play field games, do crafts, and the list goes on!

EVENINGS

Various Activities

Campers will have the chance to participate in a variety of activities that include a skit night, movie night, campfire, and much more...but, best of all, the DANCE!!!
