

To our Members,

On June 21st your bargaining committees from Calgary{USW6673}, Regina{USW5890} along with Staff Representatives Patrick Veinot and Keith Turcotte met to go over local and non-monetary proposals.

On Tuesday both committee's met with Evraz management from Regina, Calgary and Chicago. Before the company could present their business update presentation the Union had some major concerns with Regina managements handling of the layoffs and recalls in the Tubular Division. Trust and Bargaining in good faith concerns were also brought forward.

Tuesday afternoon non-monetary proposals were exchanged. The rest of the week was spent by the Union and Company working on resolutions to the layoff grievances.

We are scheduled to meet with the company on June 28th, 29th and 30th. June 28th we will be discussing the Tubular recalls.

In solidarity,

Local 5890 Bargaining Committee
