Dear Scott Lunny:

Thank you for your email dated May 10, 2023, to the Honourable Scott Moe, Premier of Saskatchewan regarding your concern about the layoffs at the Evraz Regina Steel Plant.

As the Ministers responsible for the Crown Investments Corporation (CIC) and the Ministry of SaskBuilds and Procurement, we are pleased to respond on the Premier's behalf.

We appreciate the importance of local industry and manufacturing and the jobs these sectors create, including United Steelworkers (USW) jobs. Working with Saskatchewan suppliers and growing local businesses through government procurement is a commitment of this government and a part of Saskatchewan's Growth Plan. Our government is committed to growth that works for everyone.

We look forward to working with Evraz and USW to better understand Evraz's business model, capacity, and potential procurement opportunities with the Government of Saskatchewan and Crown corporations.
